

# Free Rainwater Harvesting Class on Saturday November 8<sup>th</sup> – \$10 Rain Barrels

Huntington Beach Water Conservation is offering a free Rainwater Harvesting Class. Rain barrels are available for \$85, with a \$75 rebate from Municipal Water District of Orange County, so that brings your final cost to just \$10 each! You can purchase up to four (4) barrels per household for the rebate. Purchases must be made in advance by November 6<sup>th</sup> at [www.RainBarrelsIntl.com](http://www.RainBarrelsIntl.com). A rain barrel hold 58 gallons of water that can be captured and put to use in your garden instead of creating urban runoff. Did you know that you can capture 600 gallons of water from a 1,000 sq. ft roof during a 1 inch rainfall?

Join us at the free Rainwater Harvesting class on November 8<sup>th</sup> from 9 a.m. to 10 a.m. followed by the distribution of the rain barrels from 10 a.m. to 11 a.m. We'll be discussing the installation and maintenance of the barrels. We are located at 19021 Huntington Street at the southwest corner of Huntington Street and Garfield Avenue. Sign up for the class by registering at [www.RainBarrelsIntl.com](http://www.RainBarrelsIntl.com) or by calling (919) 602-6316.

Also, please check the City's website at [www.huntingtonbeachca.gov/hbwater/workshop-events/](http://www.huntingtonbeachca.gov/hbwater/workshop-events/) for upcoming classes and Water Conservation Rebate offers.
